CLUB SCREENING POLICY

The Bolton Wanderers Soccer Club accepts its responsibility to children, young adults, parents, volunteers and staff involved in its programs and is committed to ensuring adherence to the following policy to support the provision of a sound, safe and healthy soccer experience in our community. ALL CLUBS ARE REQUIRED TO HAVE A CLUB SCREENING POLICY THAT HAS BEEN APPROVED BY THEIR BOARD.

Due to the positions of trust that are inherent in the provision of active, high quality sport activities, volunteers and employees shall be required to undergo a screening process based on the duties assigned by the Club. This screening process will be comprised of a variety of measures such as those listed below.

Educating participants, coaches and volunteers about abuse and harassment is very important; however, it is not enough. Our organization and staff of volunteers have a responsibility to appropriately screen any person who will have access to vulnerable people. This responsibility is both moral and legal. The "Duty of Care" is a legal principle that identifies the obligations of individuals and organizations to take reasonable measures to care for and protect their clients.

Staff and volunteers must complete an application, undergo a police check and comply with additional measures and procedures as set forth by the OSA or Club. Staff and volunteers must agree to the security and privacy of information under federal statute.

CONFIDENTIALITY OF PERSONAL INFORMATION

Once organizations receive information about an applicant, whether from the applicant directly or from the police, the organization becomes responsible for that information and is then subject to many of the same legal requirements and regulations as other holders of personal information, in terms of confidentiality and access, in accordance with *The Personal Information Protection and Electronic Documents Act* (PIPEDA). The Bolton Wanderers Soccer Club is required to safeguard the confidentiality of personal information gathered during the screening process.

Staff and volunteers are required to protect the data received from applicants and are not permitted to keep, store or share the data without the express written permission of the Club and individual or guardian. This includes membership data, team contact information or any other individual's contact data of which the individual may acquire possession. Your signature to this application accepts that as a coach you are acknowledging that the personal registration information provided to you must be kept safe and secure and not used for any purpose other than the discharge of your duties as the coach of the team for the Club for the period in which you are engaged.
