CLUB SCREENING POLICY

The Bolton Wanderers Soccer Club accepts its responsibility to children, young adults, parents, volunteers and staff involved in its programs and is committed to ensuring adherence to the following policy to support the provision of sound, safe, and healthy soccer experience in our community.

All Clubs are required to have a Club Screening Policy that has been approved by their Board.

Due to the positions of trust that are inherent in the provision of active, high quality sport activities, volunteers and employees shall be required to undergo a screening process based on the duties assigned by the Club. This screening process will be comprised of a variety of measures such as those listed below.

Educating participants, coaches and volunteers about abuse and harassment is very important. However, it is not enough! As soon as any organization opens for business - whether run by staff or volunteers - it has a responsibility to appropriately screen any person who will have access to vulnerable people. This responsibility is both moral and legal; it is not only the "right" thing to do but it is legislated under the "Duty of Care" concept.

"Duty of Care" is a legal principle that identifies the obligations of individuals and organizations to take reasonable measures to care for and protect their clients. It is important to understand that Canadian courts will uphold organizations' responsibilities to screen carefully. This is part of their "Duty to Care."

CONFIDENTIALITY OF PERSONAL INFORMATION

Once organizations receive information about an applicant, whether from the applicant directly or from the police, the organization becomes responsible for that information and is then subject to many of the same legal requirements and regulations as other holders of personal information, in terms of confidentiality and access.

The Bolton Wanderers are required to safeguard the confidentiality of personal information gathered during the screening process.
